

*Spiritual Care Message With Prayer*

*Spiritual Care Message:*

*We pray that God will bless you abundantly this Christmas by giving you that deep understanding of what it meant for Jesus Christ to come to Earth...all the wonderful music, the carols, the Scriptures, the scenes we see this special time of year, the gifts given and received, the special worship services and the traditions of your own families and friends...may they be more special this year than ever before. Immanuel: God with us!..*

*We are attaching an item we used last Christmas Season in our nursing home world of people...it is beautiful to look at and very meaningful. We thought perhaps you might like to copy it for your own use this year in your nursing homes with dear ones who have many memories (from life before nursing home became home). We know you will be looking for ways to make Christmas special for them.*

*With Prayer:*

*Father, we ask your Christmas blessings on our friends who will be searching for ways to make Christmas special for those they serve. Show them, Father...and let them know you are with them daily as you serve them with love...human and Divine because they are willing to be your servants to others. Thank you, Father*

***If you look for Me at Christmas,***

***You won't need a special star..***

***I'm no longer just in Bethlehem,***

***I'm right there where you are.***

***You may not be aware of Me amid the celebrations,***

***You'll have to look beyond the noise***

***And all the decorations.***

***And if you'll look beyond today***

***And all the loss you feel,***

***You'll find Me waiting for you***

***With a heart of love that's real .***

***When every day was go, go, go,***

***And life just rushed along***

***While now you mostly sit and wait,***

***And time seems very long.***

***But if you'll take a moment***

***from your wish that you could do,***

***And listen to your heart you'll find***

***I'm waiting there for you.***

***You're the one I want to be with,***

***You're the reason that I came,***

***And you'll find Me in the stillness***

***As I'm whispering your name.***

***Love, Jesus***
